User Information or Filling Out Web Forms on this Site

All user information is held confidential by NoUVIR Research. We do not sell marketing information, e-mail addresses or any other data on those who contact us, potential customers or customers. We do not use hidden feedback methods offered by web browsers. We believe in giving the best in product and service. That includes protecting your privacy, your name, your lighting needs and anything else you wish to share with us so that we can save the world's art treasures from light damage.

NoUVIR Research is committed to ensuring the security of your information. To prevent unauthorized access, maintain data accuracy, and ensure the appropriate use of information, we have put in place appropriate physical, electronic and managerial procedures to safeguard and secure the information we collect online. We use Internet encryption software, Secure Socket Layer (SSL) protocol, when collecting or transferring sensitive data such as credit card information.
